**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do not appreciate big corporations that always keep trying to raise rates and are beholden to shareholders and not the users of their product. I switched from AT&T and I gladly pay the same rate or a little more just to be free of them and their predatory business schemes.

I support broadband competition and welcome smaller companies who innovate and care about customers.
